Insight Interval Timer Splitter schematic
Two or more projectors can automate forwards in sync

Rear view of Kodak SAV 2050

Timer socket
6 Pin Din

Timer socket
6 Pin Din

1 2 3 4 5

Timer Splitter with up to 5 outputs via 6 pin din connector
All outputs are identical and interchangeable
All outputs extendable up to 15m with supplied extension

Timer 0-45 seconds

Trouble shooting Hint: if projectors behave erratically,
swap the wires around (2 into1.1 into 2 etc)
use a different output wire (3 instead of 1 etc),
or change the projector with the spare provided.
